

Trade-in & Recycle Program

Lightspeed makes it easy for you to upgrade your classroom audio equipment...and support the environment! Trade-in your old classroom audio equipment and receive a \$100 credit towards the purchase of your new Lightspeed system. Plus we'll recycle your old equipment – free of charge!

Here's how the program works:

- Step 1** Choose, configure, and submit your order for your new Lightspeed classroom audio system.
- Step 2** Contact Lightspeed to request your pre-paid return label and RA number for the return of your old system.
- Step 3** Pack and ship your old audio system using a prepaid return shipping label provided by Lightspeed.
- Step 4** Lightspeed will ship you your new classroom audio system and deduct \$100 from your final invoice.

Frequently Asked Questions

What audio systems are eligible for the Trade-in & Recycle Program?

Lightspeed accepts like configurations of all manufacturing brands for trade-in. Like configurations that include speakers, amplifier, and microphones can be traded-in for comparable systems.

When do I return my old equipment?

Once you place your order, Lightspeed will send you a postage pre-paid shipping label. We request you ship your old equipment back within 30 days of receipt.

When do I receive my \$100 credit?

Lightspeed will credit your invoice upon receipt of your old audio equipment. Should we not receive your equipment by the invoice due date, your invoice will reflect the standard educational discount price.

Where will my equipment be recycled?

Your old audio equipment will be processed and recycled through our full-service electronics recycling partner.
